Dear Prof. Bhattacharjee,

Greetings from Assam Don Bosco University!

We are organizing the Springer International Conference on Trends in Modern Physics 2021 (TiMP 2021) in collaboration with the Indian Association of Physics Teachers (IAPT) during 26-27 February 2021. Details regarding the conference are available on the website: <http://conferences.dbuniversity.ac.in/timp2021/> The conference would cover the thematic areas of *astrophysics, plasma physics, nanophysics, nuclear physics* and *particle physics*. I have also attached the conference brochure for your kind perusal.

It gives me great pleasure to invite you to deliver a talk during the conference, either in-person or via web conferencing.

Upon your confirmation, I would send you a tentative time frame for receiving the title and abstract of your talk, along with the template for the abstract.

Dear Dr. Bhattacharya,

Thank you so much for your invitation to deliver an invited talk in the upcoming international conference to be organized by your institute. I accept the invitation.

With best wishes -

.....

Dr. Buddhadeb Bhattacharjee
Professor and Head
