(Through the Head, Department of Chemistry, Gauhati University)

Subject: Information regarding possible collaboration with CIT Kokrajhar

Sir,

It is my pleasure to inform you that our research group is in the process of establishing collaboration with that of Dr. B. N. Parida, Department of Physics, CIT Kokrajhar in the field of nano science and technology. One student of CIT is going to work in my laboratory for a brief period as a part of our collaboration. I do hope, we will have more such initiatives in the near future.

This is for favour of your kind information.

Sincerely,

Prodeep Phukan

Dear Sir,

I am Dr Bichitra Nanda Parida Faculty in Physics CIT Kokrajhar. I came to know you from one of my student Ms Rimpi Chakravorty. I am working in the field of multiferroic, perovskite solar cell etc. I searched about you and find some of your work also matched us. I urged some collaborative work between us. In this regard I am interested to send my student Ms Chakravorty for personnel discussion with you as per your prior permission.

Thanks and regards.
