Prof. Prodeep Phukan
Professor, Dept. of Chemistry
Gauhati University

Subject: Request for delivering an Invited Talk in the National Seminar “**Science for Sustainable Development**” at B. Borooah College

Dear Sir,

B. Borooah College (NAAC- ‘A’ Grade) is one of the premier institutions of North East India catering to more than 3500 students of the region. Situated in the heart of Guwahati city, the college completed 77 years of its existence. The Department of Chemistry is one of the premier departments which have carved a niche for itself over the years.

On the occasion of completing 25 years of MSc program, the department has started to organize a seminar entitled “Science for Sustainable Development” (SSD-2020) as an annual event from 2019. Accordingly, this year the department plans to hold a national seminar (a virtual seminar) on “Science for Sustainable Development” on September 25-26, 2020 to inculcate, nurture and propagate that scientific research must go hand in hand with sustainable development.

We would like to request you kindly to grace the inaugural session at 10.00 am on 25th September and deliver an Invited Talk scheduled to be held on 25th September at 11.30 am to 1.30 pm. We would be extremely grateful and privileged.

With Warm Regards

(Dr. Bijoy Sankar Goswami)
Convener
National Seminar, SSD-2020

(Dr. Satyendra Nath Barman)
Principal, B. Borooah College
President
National Seminar, SSD-2020
