Dear Prasanta Bhattacharya,

We are pleased to inform you that the following abstract you are co-authoring has been accepted and scheduled as vPICO presentation at the EGU General Assembly 2021 in session AS1.31 - 'Precipitation: Measurement, Climatology, Remote Sensing, and Modelling':

EGU21-14066

Validation of satellite-borne precipitation radars by raingauges and disdrometers over the northeastern Indian subcontinent  
by Fumie Murata et al.

The vPICO presentation takes place on Monday, 26 April 2021, 09:32 CEST. For details of the corresponding presentation as well as of the session programme please see:  
<https://meetingorganizer.copernicus.org/EGU21/session/40842>

In case any questions arise, please do not hesitate to contact us.

Kind regards,  
Katja Gänger
