Subject :- Marks submission only on Standard System Generated Marks Foils.

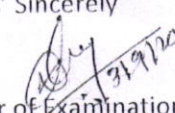

Madam/Sir

My office received lots of non standard marks foils form different zones/departments/colleges with lots of anomalies in roll numbers. It is very difficult and time consuming process to identify the correct roll numbers and then enter the marks in to the system.

So I request you kindly to use the system generated marks foils only to enter theory marks. System generated marks foils can be downloaded from the www.guportail.in (IUMS). Also I request you to enter the internal, practical, viva marks etc from your end through online system, so that we can declare the results on time.

With Regards.

Yours' Sincerely
