Sub: Post of Research Assistant in a DST SERB Early Career Research Project.

Applications are invited for the following post in a DST SERB Early Career Research Project entitled "Synthesis of Polycarbonates from the Greenhouse Gas CO₂ by Supramolecular Catalysts Designed via Co-Ordination Driven Self-assembly ". [File Number: ECR/2015/000227] under Dr. Sushobhan Ghosh, UGC Assistant Professor, Department of Chemistry, Gauhati University. The post is purely on temporary (contract) basis and till the project is continued. Interested candidates should submit their application with bio-data either by *email* to sushobhan.iisc@gmail.com or by post to the undersigned address by 15th August, 2016. The interview date will be intimated to the shortlisted candidates thereafter by *e-mail*. No TA/DA will be paid for attending the interview. The candidates must bring their original certificates/testimonials at the time of interview.

Post:	Research Assistant
Salary:	Rs. 14000 pm (consolidated)
Essential Qualifications:	1 st class M.Sc. in chemical Sciences
Desirable Qualifications:	Preference will be given to candidates with experience in synthetic organic chemistry
Age limit:	28 years (age relaxation for SC/ST/OBC and women candidates as per Govt. of India/DST's instructions)
Tenure of the project:	3 years

The appointment is terminable with a one-month notice from either side without assigning any reason thereof. Since the project is purely temporary, the incumbents selected will have no claim for regular appointment under DST or continuation of his/her services in any other project.
