## NOTICE

### *Regarding PhD Admissions 2016*

The GU-RET 2016 Merit List for Chemistry for PhD Admission has been published. Accordingly, all selected students are required to write a letter to 'Head, Department of Chemistry' mentioning their area(s) of research interest and the names and addresses of PhD guide/supervisor(s) so as to reach the undersigned latest by the 10<sup>th</sup> of August, 2016. You may give up to three names of GU-recognized guides (in order of preference) in the letter. The actual assignment of a particular student to a GU-recognized PhD guide will be done on the date of 'Counseling' which will take place at 11 AM on 12-08-2016 in presence of all eligible supervisors. The selected candidates may note that the maximum permissible numbers of scholars per Professor, Associate Professor and Assistant Professor, as per UGC norms and GU guidelines are 8 (eight), 6(six), and 4(four) respectively.

Yours Faithfully,

*Birinchi Kr. Das*
