

ABOUT THE ORGANISERS

Gauhati University (GU) is the first, oldest and one of the renowned University of the entire Northeastern region. It was established in 1948 as a teaching cum affiliating University. The University is located in Jalukbari with the mighty river Brahmaputra flowing by on the northern side. The Department of Biotechnology, was established in 1993 and has been continuously engaged in research and education in the field. The Institutional Biotech Hub was established in 2011 with the grant received from Department of Biotechnology, Govt. of India in the Department of Biotechnology, Gauhati University. The I-HUB provides resources for carrying out training / research activities and is also engaged in holding conferences, seminars and workshops for the development of trained manpower.

Institute of Advanced Study in Science and Technology (IASST) was established as a premier research institute by the Assam Science Society and supported by the Assam State Government as its only R&D institute till March 2009. Subsequently IASST was taken over by Ministry of Science and Technology, Govt. of India in March 2009. Dr Dorothy C Hodgkin, Nobel Laureate came over to inaugurate the Institute on 3rd November, 1979. IASST is engaged in multidisciplinary research activities in frontier areas of Science and Technology.

University of Science and Technology Meghalaya (USTM) is the first State private University on Science and Technology in the entire North East India which is sponsored by ERD Foundation, Guwahati. The university was established by the University of Science and Technology, Meghalaya Act, 2008 of the Govt of Meghalaya, India. The University is empowered by The University Grants Commission, to award degrees as specified by the UGC under section 22 of the UGC act1956. The University is recognized by UGC and is approved by AICTE, NCTE and MHRD.

Indian Institute of Technology (IIT), Guwahati was established as a result of the Assam Accord in 1994. It is the 6th of the IITs established by the Govt. of India. It is located in North Guwahati and is one of the top ranked Institute in the country. The institute is engaged in cutting edge research and training of highly qualified and skilled engineers. The IIT Guwahati is also recognized as an Institute of National Importance by the Govt. of India.

North East Biotechnological Association (NEBA), was established in 1998 to fulfill the interest of people associated with the broad horizon of biotechnology. The head office is situated at Department of Biotechnology, Gauhati University.

THEME AREAS

- Bioprospecting and Traditional Herbal Practices
- Ethnic Medicinal Plants-Cultivation, Documentation & Conservation
- Drug Discovery and Natural Products
- Pharmacognosy of Traditional Medicinal Practices
- Pharmacology and Biological Effects
- Traditional Practices of non-plant related source
- Herbal Medicine Preparation
- Dosage Formulation of Herbal Products
- Traditional Foods and its Benefits
- Food Preservation Techniques
- Plant Tissue Culture and Medicinal Plant Diversity
- Nanobiotechnology: Biosynthesis and Drug Delivery
- Molecular Biotechnology- Characterization and Improvement
- Bioinformatics and Medicinal Plants
- Biopiracy, IPR and Patents
- Entrepreneurship and Marketing
- Challenges and Opportunities in Ethnic Medicines
- Clinical Research in Ethnic Medicine

BROAD OBJECTIVES

The main objective of the conference cum exhibition is to bring all scientists, researchers, conservationists and traditional medicinal practitioners of NE India in one platform. The platform will be an opportunity for the researchers to effectively interact with folk healers. Presentations on work carried out in context of traditional medicine and allied areas will be held which is envisaged to pave out the road map

for future conservation of such practices and research arising out of such sources of medicines. Faculties, Scientists, Health Practitioners, PDF/ PhD scholars, M.Phil/ PG/UG students and others involved in research and interested in the concerned areas are highly encouraged to participate in the conference.
