**No. GU/Acad/ 2018/Ph.D-Thesis Correction/Noti-1**

Meeting of the Research Council held on 2 January 2018 discussed the matter that even when a thesis is recommended for award of Ph.D./M.Phil degree, external examiners often suggest / indicate some changes which in their opinion would further enhance the quality of the thesis. The Council was of opinion that any opportunity for improving a thesis before it is put up in the public domain should not be missed. Accordingly the council resolved to introduce the following steps in the process of holding the viva voce of Research scholars of the University.

In case both the External Examiners recommend the thesis for award of Ph.D./M.Phil degree, the full reports of the examiners will be shared with the Guide. The Guide will peruse the reports for suggested revisions/corrections which can be addressed by the candidate in the Viva and also incorporated in the Library copy. After the necessary changes are made, the candidate will submit a statement about the revisions carried out in the following format.

Sl. No.	Suggested changes/revisions/corrections	Action taken

Countersigned by the Guide

Signature of the Research Scholar

The revisions should be carried out within maximum of 60 days from the receipt of the reports by the Guide.

The Viva should be scheduled after receipt of the statement from the Guide duly forwarded by the Chairperson, DRC/FRC of the concerned Department.

This is issued with the approval of Hon'ble Vice Chancellor , G.U, dated 03/01/2018.
