NOTIFICATION - NO-25

It is notified for information of all concerned that the Academic Council, G.U. in its meeting held on 29/03/2018 has approved the modification in conversion formula for converting the CGPA into equivalent percentage. This conversion formula has been made effective for all the batches of students from the year 2008 onwards who passed out from Gauhati University. Accordingly, for all subjects, percentage would be calculated by multiplying the CGPA by 10 i.e., $CGPA \times 10$.

The Academic Council, G.U. further decided to consider the subject of Geography as Science subject for calculation of percentage from the CGPA.

This is issued with the approval of the Hon'ble Vice-Chancellor, G.U. dated 20/05/2018.
