

## Notification to all College Principals

This is for kind information to all the Principals of Affiliated Colleges under GU who have admitted students in both Undergraduate & Postgraduate (UG & PG) courses in this academic year i.e. 2021-22 that the **Editing (or Roll Back) rights** to Registration Data of students (both UG and PG) is now **active** and all the esteemed Principals will be able to edit the data (in case students have entered certain data wrongly) till **Tuesday, 25th January, 2022**.

We also would like to bring the following points into the kind notice of all the Principals that

1. We suggest that all the Principals correct the registration data by the above date and approve OR else, the registration of unapproved students will be cancelled.
2. Once the registration form of a student is approved, the subjects and examination will all be tied up to the Registration Data and student will NOT be able to change these information afterwards.

**All the above information are for your kind perusal and we request you to kindly notify these to the students in particular.**
